

## *Sunset Heal Lemon Grass Spa Offerings*

### *Amazing Relaxing Cleansing Facials*

#### **Amazing Relaxing Cleansing Facials**

Relax and allow our trained practitioners to treat you to one of our signature facials.

Perfect for all skin types! Deep cleansing, exfoliation, complexion, analysis facial extraction and steam therapy to release the skin of dull surface cells. A customized masque targets specific skin needs. A face, neck and hand massage will increase circulation and oxygenate the skin and help diminish stress and toxins.

Aromatherapy essential oils are use in this soothing and relaxing facial .The activation of vital energy points leave the skin completely revitalized.

For more information on aromatherapy's benefits, [click here](#).

**Listen to What Others Say:**

*“Beatrice has a wall full of degrees and certifications in fields such as Reiki, Theta DNA and Aromatherapy and she specializes in Massage Therapy for physical ailments. She has had **success in helping stroke victims** recover from facial paralysis which I found impressive. I always saw that as a permanent condition but the nerve and muscle damage can be repaired or retrained.*

*I’ll confess to not knowing much about exactly what Beatrice does but I can tell you she knows what she is doing. She is an intelligent and articulate woman who speaks with confidence and I’m **impressed with her ideas on healing and alternative medicine**. I was most intrigued by what I learned about DNA Theta Healing but you can get Reiki and Massage treatments as well. **Theta Healing may hold some promise for my autistic son** and we’re exploring ways she can help us with his condition.” [www.jamaicamax.com](http://www.jamaicamax.com)*

**Healings Experiences at Sunset Heal** -- At Sunset Heal we have testimonials from many clients who have experienced amazing results from the Sunset Heal Spa treatments. Those clients include individuals suffering from: cancer, epilepsy, neurological disorders, fibromyalgia and a host of other theoretically incurable diseases.
