Listen to What Others Say:

*“Beatrice has a wall full of degrees and certifications in fields such as Reiki, Theta DNA and Aromatherapy and she specializes in Massage Therapy for physical ailments. She has had **success in helping stroke victims** recover from facial paralysis which I found impressive. I always saw that as a permanent condition but the nerve and muscle damage can be repaired or retrained.*

*I’ll confess to not knowing much about exactly what Beatrice does but I can tell you she knows what she is doing. She is an intelligent and articulate woman who speaks with confidence and **I’m impressed with her ideas on healing and alternative medicine.** I was most intrigued by what I learned about DNA Theta Healing but you can get Reiki and Massage treatments as well. **Theta Healing may hold some promise for my autistic son** and we’re exploring ways she can help us with his condition.” www.jamaicamax.com*
